

# URGENT CORONAVIRUS UPDATE

Effective immediately, all worship services, events, rehearsals, and meetings have been canceled through 4/20. Individual committees will meet through online resources such as Zoom, WebEx, etc. Those members will be contacted if necessary. The church office will be handling essential functions but will be closed indefinitely. Minimal staff will be working remotely, but voicemail will be checked regularly. For more information, check your email and [nrunc.org](http://nrunc.org).

We understand that the decision to continue with our suspension of worship and other activities is a difficult one that will be disruptive to many of you. Yet, in the interest of public health and safety, especially for our seniors and others who are part of groups at high risk for complications should they become infected with COVID-19, this is the right decision. Please visit [nrunc.org](http://nrunc.org) to worship with us via video or check your email. Sermon and podcast audio is also available under the Ministries menu tab. If you would like to be placed on our email list, contact Lisa Mooneyham at [info@nrunc.org](mailto:info@nrunc.org).

While worshipping online is not a complete substitute for physically gathering as we normally do, our hope is that this alternative might provide comfort and spiritual sustenance in this difficult time.

Please know that your pastors and the church staff remain ready to help and minister to you. Please leave a voicemail at 919-847-1536 if you have immediate needs. In the meantime, be encouraged by these words of scripture:

*"When you pass through the waters, I will be with you; and through the rivers, they shall not overwhelm you; when you walk through the fire you shall not be burned, and the flame shall not consume you. For I am the Lord your God, the Holy One of Israel, your Savior."—Isaiah 43:2-3*
