Bereavement

NRUMC's Vision & Core Values

Our Vision: We glorify God and make disciples of Jesus Christ for the transformation of the world by offering a safe and caring environment for anyone who is searching to be spiritually fulfilled and accepted.

As a Community of Faith, Our Core Values are:

OUR HERITAGE

GRACE—God's unearned love is always at work in our lives, going before us, redeeming us, and continually shaping us in Christ's likeness. We seek to embrace grace and impart it to one another.

COMPASSION—As God suffers with us we, too, are called to deeply engage and even suffer with one another in our broken world.

GENEROSITY—All of life is a gracious outpouring from our God who invites us to live as examples of divine love, pouring ourselves generously into each other and our world.

OUR GROWING EDGES

AUTHENTICITY—We align our words and actions with God's perfect love.

INCLUSIVITY—We welcome all who seek to know Christ and provide a place to belong, serve, grow, and encounter our living God.

COURAGE—With openness and boldness of faith, we embody Jesus' prayer as he contemplated the cross, "Not my will, but yours [God's] be done."
